What domain would you like to use?
Type a domain prefix to use for the sign-up and sign-in pages that are hosted by Amazon Cognito. The prefix must be unique across the selected AWS Region. Domain names can only contain lower-case letters, numbers, and hyphens. Learn more about domain prefixes.
Amazon Cognito domain
Prefixed domain names can only contain lower-case letters, numbers, and hyphens. Learn more about domain prefixes.
Domain prefix
https://
muniprashanth
.auth.us-east-1.amazoncognito.com
Delete domain
Your own domain
This domain name needs to have an associated certificate in AWS Certificate Manager (ACM). You also need the ability to add an alias record to the domain's hosted zone after it's associated with this user pool. Learn more about using your own domain.
Use your domain
